1. Describe the project you intend to pursue. Include such information as who will be helped by your efforts, who are the clients, and why they are in need of your efforts.
2. Explain what these funds would allow you to do that you would not be able to do otherwise.
3. How will this project enable you to experience inner-city life?
4. What expenses will you expect to incur?
5. How would you like to share your experience with the George School community? It is the practice to participate in an assembly during Term 2.
